

Rimersburg Borough Council
Engineer's Report
June 3, 2024

Community Building Project

One-year warranty on construction work ends 8/29/24

Milling/resurfacing work on asphalt remains to divert runoff away from doorway

EADS to schedule field meeting w/Terra Works to review options

Engineering Budget – \$17,000 (2% remaining as of 4/30)

Community Building Generator

Council to determine how generator will be purchased/installed (COSTARS vs contractor bidding)

EADS can provide quote for engineering services if bidding is necessary

RBMA Lead Water Line Replacement Project

Paving was completed on 5/8 - several small punchlist items remain

Wider paving sections outside of waterline work (previously approved):

West Back St (130 yd ²)	\$7,280
-------------------------------------	---------

<u>Hetrick Alley (31 yd²)</u>	<u>\$1,736</u>
--	----------------

Total (161 yd ²)	\$9,016
------------------------------	---------

Wastewater Treatment Plant Operations Agreement

Joint agreement needs to be signed before EADS can assume role as Contract Operator

Solicitor Hagar provided comments on 5/17

Revised agreement distributed to Borough & Authority on 5/29/2024

Motion Requested

DCED Multimodal Grant App

2024 round is now open (deadline is July 31st) – projects \$100,000-\$3,000,000 (no match req'd)

Chestnut Street Safety & Mobility Improvement Project – resubmit 2023 application?

Sidewalk replacement (west side), curb installation (east side), stormwater upgrades, final paving

EADS can prepare updated conceptual design, cost estimate, application docs, etc.
